## Harden out of Houston

### The Brooklyn 3

Minneapolis,MN, 15.01.2021, 23:21 Time

**USPA NEWS** - Well folks it's official, James Harden's time in a Houston Rockets uniform has officially come to an end. The disgruntled superstar's attitude toward his teammates and coaches hasn't been pretty leading up to his final days in H-Town.

The Brooklyn 3 will be ready to take the court any day now for first year coach Steve Nash. A lot of people are wondering how will the rookie coach be able to deal with all the egos on the Nets roster. I guess we will soon find out in the coming days but as of now the team hasn't been in sync since dismantling the Golden State Warriors. Rumor has it that Irving has not been on the same page as Kevin Durant in which could be trouble down the road. Not only can the Brooklyn 3 light it up on the court, but they can also create problems in the locker room. The Eastern Conference won't be a pushover and will require unity in order to beat teams such as the Bucks, Heat, 76ers and a host of other hungry teams. The Rockets have already proven that they can win without James Harden as they knocked off the San Antonio Spurs behind a dominant night from Woods. We look forward to seeing how things will unfold within the coming month, and actually see which teams benefited from the blockbuster trade that has shaken up the NBA world.
