During the shortlist stages, Goudie Associates showed a supreme understanding of how to design not only for today but for the future. The 6 studios provide a full service over a variety of sectors including luxury residential, hospitality, workplace, retail, architecture and master planning for sustainable resorts.

This all-encompassing practice has seen over 90% of their private and multinational clients return for further projects.

“Our one hundred highly qualified, experienced and dedicated interior design and architectural professionals have continued to develop an extensive understanding of thoughtful design and an exceptional understanding of client goals. Since we started the company in Hong Kong, we have successfully completed many high-profile projects that have benefitted from our skills as individual specialists and as teams,” [?] commented Regional Executive Director, Architect Carlos de Castro. “Being a recipient of a Luxury Lifestyle Award for Best Luxury Design Studio in Philippines 2020 is a welcomed recognition of our continued dedication to the luxury and high-end living and leisure sectors” [?]
